

Register Control Requirements:

- Licences must be verified prior to engagement
- Register must be reviewed monthly.
- Expiry alerts to be actioned at 60 days and 30 days.
- Operators must not perform high-risk work with expired licences.
- Verification to be conducted against SafeWork QLD records.

Signed by Hayden Foley, Director

A handwritten signature in black ink, appearing to read 'H. Foley', is written over a light grey rectangular background.
